ANA ANTON – Philosophy of Life: *Always look on the brighter side of any situation; satisfy your needs; accomplish your set goals; but most important, stand up for what you feel is right, no matter if others see it wrong.*

MONICA SANCHEZ – Philosophy of Life: *You are led through your lifetime by the inner learning creature, the playful, spiritual being that is your real self. Don't turn away from possible futures before you're certain you don't have anything to learn from them. You're always free to change your mind and choose a different future.*

GAYLA COX – Philosophy of Life: *Spend your todays wisely, for you must live with your purchases forever.*

CANDY NELSON – Philosophy of Life: *To enjoy every minute of life; to give every living creature you meet a smile; to look at the sunny side of everything; and make your optimism come true.*

PRINCESSES AND QUEEN WITH ESCORTS.

KATHY LYNETTE SMILEY – Philosophy of Life: *Live not for your pleasure only, but gladly lend your gentleness and grace to warm the hearts of those whose lives are lonely, and help to make their world a better place. Give your help without begrudging the patience, time and effort you impart. Look at other's weakness without judging, and see, not with your eyes, but with your heart.*

According to Coach Gary Chapman, the 1979 edition of the football team started the season with great expectations, but the grand visions of these young athletes did not materialize.

Playing in a very tough Metro League, the Spartans had to play four teams in the top ten in the county. Even though the results were not successful, the will to win was never lost. They gave us many exciting moments during the past season, leading the Metro League in passing offense and playing with considerable emotion.

The 1979 team was a very close group. Their togetherness made it possible to endure the disappointing season. They always came to win and never gave up. In this respect the Spartans were league champs. According to Coach Chapman they gave all they had.

The Spartan basketball team won 15 exciting games to cap off a successful season. They finished 3rd in the Hilltop JC Invitational Tournament and 2nd in the Kiwanis Tournament by a narrow one-point loss in overtime to Hoover.

The team has some top notch players. Craig Wilson, a 6' 2" Senior forward, was one of the best. A deadly shot from anywhere on the floor, Craig led the team in scoring with 319 points. His team mates voted him the most valuable player and team captain for his outstanding year. He was also selected Honorable Mention All-Metro. Alex Almaraz, a 6'4" junior forward, was another of the team's outstanding players. Alex led the team in rebounding and was selected the best defensive player on the team. Alex made the 2nd team All-Metro. Louie Gonzales, a 6'2" center, was the team's leader in assists and second in total offense with 300 points this season. Louie was also selected honorable mention All-Metro.

Other players who made outstanding contributions to the team were seniors Mark Atkinson, Todd Stoddard, juniors Louie Romero, John Heller and Ron Hubbard. These players were responsible for big plays in close games that turned possible defeat into Spartan victories.

One of the season's highlights had to be the Sweetwater game when the student body purchased over 640 presale tickets and jammed the gym before the start of the JV game. Another was the two victories over arch-rival Hilltop.

Next season the Spartans return seven players and three of them are starters Gonzales, Romero, and Almaraz.

And now you are ready
to assume full control of that life.
Now you are ready
to make peace with the past
and live fully and fearlessly
in the present.
For at last you recognize
that yours is the gift of time . . .
time for planning
and time for dreaming . . .
time for work
and time for fun . . .
time to indulge the child in you
and time to challenge the adult.
At last you understand
that there is
no more precious gift than time,
and no more precious time
than today.
